1 League Description & Goals

1.1 Squirts

Squirts provides the next step for children to learn the game of baseball. Boys and girls in 1st and 2nd grade can participate in this league. Since it is primarily an instructional division, emphasis is placed on having fun and on skill development. Soft incrediballs are now pitched by coaches using pitching machines for more consistent balls for players to hit. Volunteer coaches are needed to assist the teams. All games will be umpired by the coaches and coaches are also allowed on the field to coach and teach all players how to play the game.

Because a strong emphasis is placed on making the game fun and enjoyable, as well as informative, no scores are kept. Also, reasonable requests for pairings/groupings are honored to the best of KMBA's ability.

Games/Practices will be scheduled for the teams 2 nights per week. All practices will be run by the team coaches after some initial support from KMBA personnel. All games are 1 hour long.

KMBA will provide each child with a shirt and cap. Parents are responsible for providing a baseball glove, and shoes. Other equipment is supplied.
